Dear Ms. Kamiya;

We herewith recognize the additional alternative soldering material, fluxing agent and frame for your certified products as requested in your letter of 24 of September, 2009.

In addition, heavy mechanical load at 5400Pa was performed in this modification.

Please find enclosed a copy of your documents, authorized by us, stamped "Genehmigt/ Approved" and dated 29 of September, 2009.

We appreciate your support and would like to offer our assistance in the approval of your future products through our extensive range of technical services.

Please feel free to contact us should you need any further assistance.

With kind regards,

TÜV RHEINLAND JAPAN LTD.
